## Interested in Cloud Computing? Join an AZNext program at ASU!

AZNext's **AWS Cloud Computing Certificate** is open for enrollment.

In this online program, you'll work through three ASU Universal Learner Courses that leverage the AWS Cloud Computing Mastery Certificate, along with hands-on Labs and Knowledge Activities that prepare you for the AWS Cloud Practitioner Certification and beyond. With guidance from experts, you'll tackle hands-on labs, study real-world case studies, and gain a strong foundation in AWS.

### Who Is This Course Designed For?

The course is designed for undergraduate or graduate students and working professionals interested in an industry recognized certificate but who also have some interest in a bachelor's or higher-level degree at some point.

**To learn more, connect with AZNext today!**
